

# DEAD DOWN WIND™

Dead Down Wind™ is built on science that targets and eliminates odors instead of masking them. Our products break down odors at the molecular level, including human scent, pet odors, smoke, food, and more. We offer complete scent control in both our original ScentPrevent and BLACK Premium formulas. **REAL SCIENCE. REAL RESULTS.**

# SPRAY ODORS AWAY

EACH PHASE OF THE SYSTEM  
ENHANCES THE NEXT.  
CONTINUE THE CYCLE TO  
MAXIMIZE YOUR  
SCENT ELIMINATION.
